

SINGLE-LOAD TOP-LOAD WASHER

MAT23MNAGW

NON-VEND
MAT23MNAGW (pictured)

DEEP-WATER WASH

- A traditional top-load wash experience with deep-water wash and rinse cycle options for vigorous cleaning action
- Spin Fill ensures each load is soaked before wash cycle begins
- Large lid opening provides users unhindered access while loading and unloading

TRADITIONAL FLEX-VANE AGITATOR

- Powered by a ½ hp PSC motor and fin design to provide exceptional rollover performance
- Features four distinct wash patterns — from aggressive to gentle

- Generates outstanding clothes movement and extensive deep-cleaning action to tackle a variety of loads

CONTROLS TO MEET YOUR NEEDS

- Feature a simple user interface with robust, easy-to-use knobs

- Status indicator lights keep users informed

- Add items to wash during fill, wash, or rinse

BUILT TO LAST

- Watertight, flexible, triple-lip seal — helps keep moisture safely away from the shaft and protects the bearings
- Front-panel accessibility — provides fast entry to the motor, transmission, and wash tub for streamlined self-service
- Porcelain enamel top and lid — a durable finish that stands up to the demands of high traffic
- Full wrap console — designed to help protect the internal components
